

**HOLD AS PICKPOCKET.**

Robber Prisoner Seen to Justice  
Men on Pier.

Fusquell Macchelli, fifty-two, of No. 102  
Rector Street, Manhattan, reputed to be  
a professional pickpocket, was held in  
\$5,000 bail for examination Saturday by

Recorder John J. McGovern at Hoboken.  
Macchelli had been observed moving  
about the pier from which the steamship  
Rotterdam was scheduled to sail at noon  
by former Lieut. Anthony F. Bachus,  
formerly connected with the Brooklyn  
police. He noticed Macchelli jostled sev-  
eral persons.  
Macchelli was found to have an ex-  
pensive gold watch in his pocket, also a  
gold chain to which was attached a \$20  
gold piece for a charm.

**GUTIERREZ ENTERS  
MEXICO CITY AND  
BEGINS HIS RULE**

New Provisional President, Ac-  
companied by Villa, Given  
Big Greeting.

EL PASO, Tex., Dec. 2.—Provisional  
President Gutierrez, accompanied by  
Gen. Villa, entered Mexico City to-  
day and established their offices in the  
National Palace. The most enthusi-  
astic demonstration in the history of  
the capital greeted them, despatches  
say, an army of 25,000 Zapatistas,  
Villistas and former Carranzistas  
escorting them from the suburbs to  
the National Palace.

Gutierrez will take up his residence  
in Chapultepec Castle to-day. Villa  
will not reside in the Castle, having  
selected a modest residence in the  
city.

The commission of twenty-one Gen-  
erals appointed by the Aguas Cal-  
ientes Convention to act as the Con-  
gress of the Gutierrez Administration  
and the Gutierrez Provisional Cabinet  
have also reached the capital and es-

tablished offices in the various de-  
partment buildings.

Messages have been sent by Villa  
to the Puebla District, inviting Gen.  
Zapata to return to the capital in or-  
der that they may become person-  
ally acquainted and complete arrange-  
ments for their campaign against Gen.  
Carranza. Zapata is expected in the  
capital this afternoon.

WASHINGTON, Dec. 2.—Brig.-Gen.  
Bliss reported to-day that bullets from  
Mexican snipers in Naco, Sonora, con-  
tinued to strike in American territory.  
He has again protested to Gov. May-  
torena to prevent shots from being  
fired over the border. Two more per-  
sons were wounded to-day and Allen  
Cain, an American soldier, is in a  
critical condition after being shot in  
the head while seated in a theatre last  
Monday evening.

**WHITMAN HAS A GUARD.**

Police Assigned to Keep Peace and  
Cranks Away.

Police Commissioner Woods denied  
with a smile to-day the published re-  
ports that Gov.-elect Whitman had been  
provided with a special guard of detec-  
tives from Headquarters because of an-  
archist threats for his sentiments anent  
the expulsion of the gangsters from the  
city.

"It is true," said the Commissioner,  
"that two plainclothes men are always  
within call whenever Mr. Whitman hap-  
pens to be; but that is a precaution  
which does nothing more than follow  
the custom of Police Headquarters in  
assigning guards to a President or a  
Governor who happens to be in town.

Neither Mr. Whitman nor the Police  
Department fears that the Govern-  
ment is in any danger of assassination  
by anarchists or gunmen. Mr. Whit-  
man did not make any request for the  
guard; I supplied the men voluntarily.  
Our only object is to cover the possi-  
bility of Mr. Whitman's being pestered  
or attacked by cranks."
